

Meet the Sleek & Modern

# BL01

## Bollards

Power & Colour Selectable

120-347V Universal Driver

Vandal Resistant

Type V Light Distribution

**These sleek and modern BL01 bollards are perfect for any outdoor pathways that need extra ground illumination. With multiple height options, these are perfect for any landscape application!**

# BL01 BOLLARDS

Suitable for pathways, gardens, sidewalks, building entrances, and other landscapes that require low to the ground illumination

## WHAT MAKES THE BL01 SO GREAT!

Our BL01 series Bollards excel in both power and visual appeal. They not only add to the aesthetics of your project but also come packed with customizable features.

Each luminaire has four power and three colour options and is equipped with a 120-347V universal driver that is suitable for almost all applications. With easy adjustability, you can configure each luminaire to meet the unique requirements of your project! This series is housed in aluminum alloy, and is vandal-resistant (rated IK10), making it the perfect choice for your next project!

# WHY CHOOSE US AS YOUR LIGHTING PARTNER

## SAFETY IN DECISION:

We began 18 years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

## INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid\* shipping on most orders.

## TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

## WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

## 2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

\* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

## CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
