

Traditional & customizable

PLS / PLP

Panel Lights

Power & Colour Selectable

120-347V Universal Driver

Easy Switch Control

Non-Yellowing Lens

These high-performance luminaires are not only practical but also versatile, suitable for lay-in, surface, or suspension mounting. With a depth of less than 1.8", these fixtures are suitable for tight plenum areas where a low profile fixture is required.

PLS / PLP PANEL LIGHTS

High performance, light-weight luminaires suitable for lay-in, surface or pendant mounting. Ideal for use in schools, healthcare applications, offices, retail spaces, and more

WHAT MAKES PLS & PLP SO GREAT!

Engineered with precision and designed for maximum efficiency, these luminaires redefine illumination in commercial spaces. Both our PLS and PLP series Panel Lights come with a non-yellowing lens to ensure clarity and brightness. Our PLS series Panels are rated DLC Standard, while our PLP series Panels are rated DLC Premium, providing options to meet the unique budgetary and technical needs of your projects.

Equipped with power and colour selectability, our luminaires offer unparalleled flexibility, allowing for added customization and fewer SKUs making these series great stocking options. Waffle stamped patterns on the back enhance heat dissipation and extends driver life, ensuring longevity and reliability.

These high-performance luminaires are not only practical but also versatile, suitable for lay-in, surface, or suspension mounting. From schools to healthcare facilities, offices to retail spaces, the PLP and PLS series luminaires deliver exceptional lighting solutions tailored to diverse applications.

WHY CHOOSE US AS YOUR LIGHTING PARTNER

SAFETY IN DECISION:

We began 20 years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid* shipping on most orders.

TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
