With its sleek design and customizable RGBW features, the WCYL Wall Cylinders add a touch of elegance and ambiance to any space, elevation the aesthetic appeal with vibrant colours and dynamic lighting effects. This series effortlessly blends functionality and style, making it the perfect choice for those seeking to enhance their environment both functionally and stylistically.

WCYL WALL CYLINDERS

Perfect for any indoor or outdoor project where additional ambient lighting is required!

WHAT MAKES THE WCYL SO GREAT!

The WCYL Wall Cylinder stands out as an exceptional lighting solution, offering unparalleled versatility and functionality. Its direct and direct/indirect options cater to various lighting needs, ensuring optimal illumination for any space. With wattage options of 15W or 30W, it provides ample brightness while remaining energy-efficient.

The inclusion of a RGBW fixture, complete with a convenient remote for effortless control, allows for dynamic lighting setups, transforming any environment with a spectrum of colors. Moreover, its colour-selectable feature and built-in photocell enhance usability and adaptability, effortlessly blending into any setting. Whether enhancing outdoor landscapes or elevating indoor ambiance in lobbies, hallways or conference rooms, Cylinders offer unmatched customization, making it an indispensable choice for lighting designers and architects alike.

WHY CHOOSE US AS YOUR LIGHTING PARTNER

SAFETY IN DECISION:

We began 18 years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid* shipping on most orders.

TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
