

The image features a central black rectangular box containing the CSCLED logo, which consists of three colored dots (green, blue, red) to the left of the text 'CSCLED'. Below the logo, the words 'WALL PACKS' are written in a large, white, sans-serif font. Surrounding this central box are four different models of LED wall packs: a brown curved fixture in the top left, a black rectangular fixture with a textured lens in the top right, a black rectangular fixture with a grid of LEDs in the bottom right, and a black rectangular fixture with a curved lens in the bottom left.
