

Enhance your lighting with the

AWP05

Architectural Wall Packs

Power and 3CCT Selectable

120-347V Universal Driver

0-10V Dimmable

Built-In Photocell

Meet the AWP05 Wall Packs, built for flexibility and performance. Easily set power, CCT, and photocell settings with field-accessible switches. An adjustable 0-90° head ensures precise light direction, while the built-in photocell boosts efficiency.

AWP05 ARCHITECTURAL WALL PACKS

Ideal for perimeter lighting, building entrances, pathways, schools, apartments, and more

WHAT MAKES THE AWP05 SO GREAT!

Illuminate with precision and style with AWP05 Architectural Wall Packs. The AWP05 is the next evolution in outdoor lighting solutions. Perfect for building perimeters, entrances, walkways, schools, and multi-use facilities, it delivers powerful illumination while maintaining a clean, architectural look that complements any exterior.

Easily configure power, photocell, and CCT settings on-site with field-accessible integrated switches, giving you complete control over output and ambiance. The adjustable 0-90° head allows for precise light direction, ensuring the right focus for every application.

Built to last, the AWP05 features a UV-resistant polycarbonate refractor lens with Type III light distribution, die-cast aluminum housing with built-in water drainage, and an IP65 rating for superior protection against the elements.

Enjoy dependable performance with a 120-347V universal driver, 0-10V dimming, and a built-in photocell for automatic dusk-to-dawn operation. The junction box mount with conduit entries makes installation straightforward and efficient.

WHY CHOOSE US AS YOUR LIGHTING PARTNER

SAFETY IN DECISION:

We began 20 years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid* shipping on most orders.

TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
