120-347V

Universal Driver

Polyester Powder

Coat Finish

Black

**Choose from 19", 35",
and 42" Base Poles**
sold separately

DarkSky Approved

when set to 3000K operation

CONFIGURABLE

Each luminaire has four power and 3CCT options and is equipped with a 120-347V universal driver that is suitable for almost all applications. With easy adjustability, you can configure each luminaire to meet the unique requirements of your project!

TRANSFORMATIVE

Choose from 19", 35", and 42" Base Pole heights to perfectly complement your space and create a welcoming atmosphere. This series is housed in aluminum alloy, and is vandal-resistant (rated IK10), making it the perfect choice for your next project!

DARKSKY APPROVED

Enhance pathways and outdoor spaces with stylish, energy-efficient illumination. DarkSky approved when set to 3000K operation, these bollards help reduce light pollution while creating safe, welcoming environments.

BL01 BOLLARDS

These sleek and modern BL01 bollards are perfect for any outdoor pathways that need extra ground illumination. With multiple height options, these are perfect for any landscape application!
