

Customize your space with the

CDL03

Commercial Downlights

Power and 5CCT Selectable

120-347V Universal Driver

0-10V / ELV / TRIAC Dimmable

Meet the evolution of our CDL02 Commercial Downlights, the CDL03s now with 5 power and 5CCT selectable options for unmatched flexibility.

CDL03 COMMERCIAL DOWNLIGHTS

Perfect for both new construction and retrofit applications.

WHAT MAKES THE CDL03 SO GREAT!

Elevate your lighting experience with the next-generation CDL03 Commercial Downlights! An evolution of our CDL02 series, the CDL03 delivers 5 Power and 5 CCT selectability, giving you full control to customize brightness and colour temperature for any commercial or industrial space.

Engineered for new construction and retrofit applications, the CDL03 features an integral driver that eliminates the need for a traditional multi-piece fixture setup, simplifying installation and reducing labour time.

Enjoy compatibility and performance with 0-10V, ELV, and TRIAC dimming, plus confidence in every environment with IC and Air-Tight ratings. Each fixture includes a 26" flexible conduit whip and knockout quick connector for fast, secure connections.

The standard white trim offers a clean, modern finish, while Black and Brushed Nickel trims (sold separately) let you elevate your project's aesthetic.

5CCT Selectability

WHY CHOOSE US AS YOUR LIGHTING PARTNER

SAFETY IN DECISION:

We began 18 years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid* shipping on most orders.

TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
