

Illuminate Your Outdoor Space With

FLM02

Mini Flood Lights

Power & Colour Selectable*

Built-in Photocell*

19.7" Cord Whip

Bronze Finish

Meet the successor to our best-selling FLM Mini Flood Lights! Now with power and colour selectability,* these flood lights are more versatile than ever before!

FLM02 MINI FLOOD LIGHTS

Ideal for landscaping, patio, and security lighting, signs and building facades.
Excellent replacement for quartz halogen fixtures

WHAT MAKES THE FLM02 SO GREAT!

Our FLM02 Mini Flood Lights are the epitome of versatility and performance in outdoor lighting. With power and colour selectability (excluding our 15W fixture), these flood lights provide customizable illumination tailored to your specific needs. Equipped with a built-in photocell, this series offers automated functionality, ensuring hassle-free operation from dusk till dawn.

Crafted with durability in mind, these flood lights feature a high-impact polycarbonate lens and a die-cast aluminum housing with cooling fins, guaranteeing superior heat dissipation for prolonged lifespan and reliability. Each unit comes complete with a mount, with interchangeable mounting options (sold separately) for added convenience. Ideal for landscaping, patio, and security lighting, as well as signs and building facades, these floodlights stand as an excellent replacement for quartz halogen fixtures.

Power Selectable*

20W / 30W / 50W

WHY CHOOSE US AS YOUR LIGHTING PARTNER

SAFETY IN DECISION:

We began 18 years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid* shipping on most orders.

TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
