CUSTOMIZABLE

Solen Slim Recessed Downlights offer 5CCT selectable options from 2700K-5000K and come in 4" and 6" models. Customize the look with interchangeable trims and choose optional 4' or 10' extension cables, all with smooth TRIAC / ELV dimming for added control.

RESIDENTIAL

With a sleek, low-profile design, Solen Slim Downlights blend seamlessly into residential spaces like kitchens, living rooms, and hallways. Selectable colour temperatures and smooth dimming allow homeowners to easily create the right ambiance in any room.

COMMERCIAL

Solen Slim Downlights are a practical choice for commercial spaces, offering flexible sizing, wide CCT selection, and reliable 120V performance. Quick-install features and consistent light output make them ideal for offices, retail, and multi-unit projects.

SOLEN | SLIM RECESSED DOWNLIGHT

Solen series Downlights provide a versatile lighting solution with 5CCT selectable options, smooth dimming, and multiple size and trim choices to suit a wide range of applications. Their slim, modern design integrates cleanly into residential interiors while delivering the reliability and consistency needed for commercial spaces. With quick-install features and flexible accessories, these downlights are an efficient, adaptable choice for both small builds and large-scale projects.
