DAMP LOCATION

IP44-rated, our Slim Surface Mounts are built for moisture-prone areas like showers, bathrooms, and spas. Their sleek, low-profile design delivers safe, uniform lighting in any damp environment.

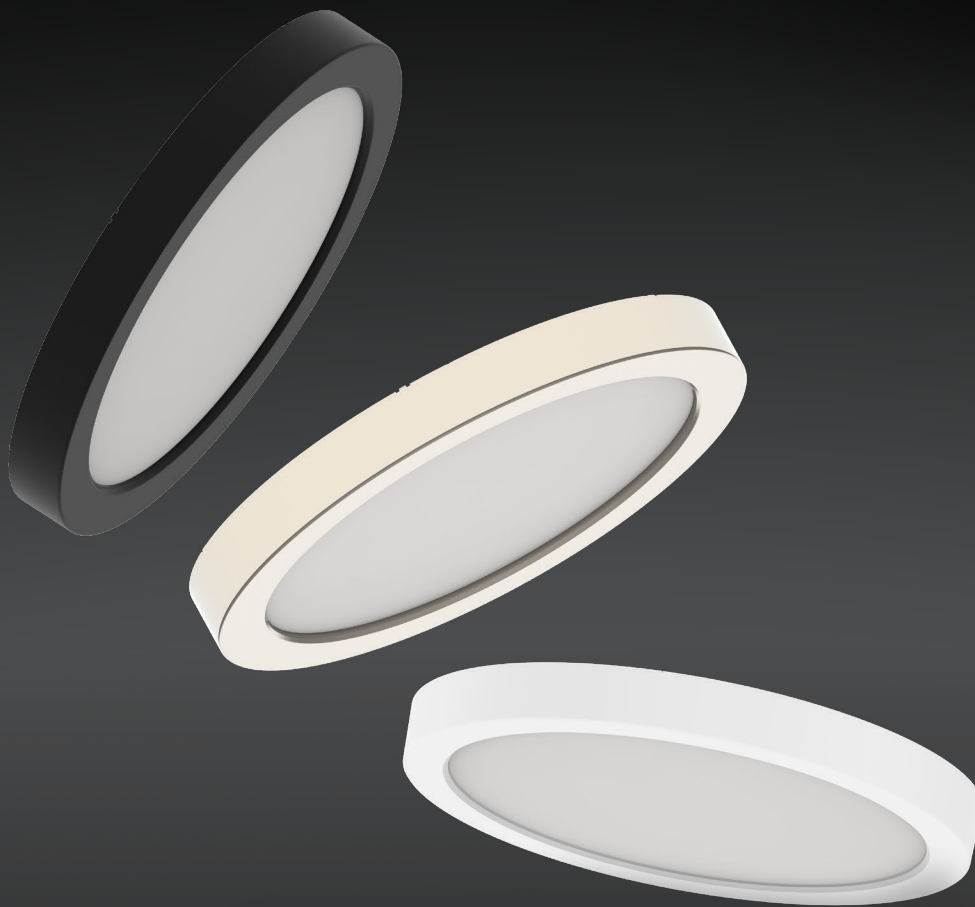

RESIDENTIAL

Featuring customizable 5CCT options, these fixtures let residential spaces tailor the light to suit different moods and activities. Their elegant, low-profile design enhances the aesthetic of apartment corridors, living spaces, kitchens, bedrooms, and more.

COMMERCIAL

Ideal for offices, corridors, and retail spaces, these Slim Surface Mounts provide consistent, glare-free illumination. The modern, streamlined profile integrates seamlessly into professional and high-traffic environments.

SSM Series

SLIM SURFACE MOUNT

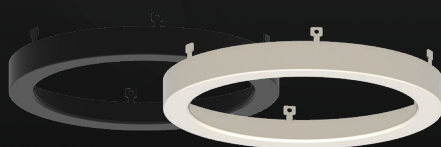

Our Slim Surface Mounts are available in four sizes (5", 7", 9", 12") and offer 5CCT selectability from 2700K to 5000K, letting you customize lighting for any space. The quick-snap mount design and compatibility with 3" and 4" junction boxes make installation fast and easy, while edge-lit optics deliver smooth, uniform illumination. With a low-profile design and ELV/TRIAC dimmable 120V driver, these fixtures combine sleek aesthetics with versatile performance.

SSM Slim Surface Mounts
